15th Annual North Dakota Statewide Trauma Conference

September 12-13, 2012

Alerus Center, Grand Forks, ND

PURPOSE:

This symposium has been designed to provide healthcare professionals the most up-to-date information in the treatment of the trauma patient.

TARGET AUDIENCE:

Physicians, Advance Practice Providers (APPs), Nurses and other interested healthcare professionals.

OBJECTIVES:

- Understand emergent management considerations in the cervical spine injured patient.
- Describe the lessons learned from a mass casualty event here in the United States.
- Describe the use of tranexamic acid for trauma patients in hemorrhagic shock.
- Develop evaluation process for potential abusive head injuries.
- Recognize the potential job hazards in the oil field.
- Recognize and understand the emergency care response crisis and issues related to oil impacted counties.
- Describe common blunt injuries with high mortality rate.
- Identify special considerations when caring for pediatric trauma patients.
- Review the anatomy, diagnostics and approach to vascular trauma.
- Describe the diagnosis and syndrome care with compartment

CONTINUING EDUCATION HOURS:

"This activity has been planned and implemented in accordance with the Essential Areas and policies of the North Dakota Medical Association through the joint sponsorship of Trinity Hospital and the ND Trauma Foundation. Trinity Hospital is accredited by the North Dakota Medical Association to sponsor continuing medical education for physicians.

Trinity Hospital designates this educational activity for a maximum of 14.5 AMA PRA Category 1 Credit(s)TM Physicians should only claim credit commensurate with the extent of their participation in the activity."

Essentia Health - West Region is an approved provider of continuing nursing education by the Wisconsin Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

"The North Dakota Department of Health has approved 14.5 hours of continuing education for EMS providers. Each provider should claim only those hours of credit actually attended." This conference is eligible for reimbursement for qualified EMS personnel.
